

Letter of Invitation

October 15, 2012

Dear Prof. Chang-Ho Moon,

It is our great honor that we write on behalf of the organizing committee, to invite you to be an academic session chairperson at the upcoming the 9th International Symposium on Architectural Interchanges in Asia (ISAIA 2012), to be held in KDJ Convention Center, Gwangju, Korea, from October 22nd to 25th, 2012, under the theme of "Technological Advancements in Architecture".

'The International Symposium on Architectural Interchanges in Asia' was established to promote communication with people in the rest of Asia and cooperate for the development of 26st Asian architecture and culture in 1986. It has been taken a role of sharing the latest information in this field and trying to derive a visible result through profound discussion on the subjects by qualified specialists. In this ISAIA 2012 meeting, it is expected that top industrial and academic experts in the field of Architecture will come together to share their knowledge and experience. And it will provide a good opportunity to establish a network with experts of Asia.

We cordially invite you to deliver a lecture as follows:

Session **Academic Session (A-7)**

Should you have any inquiries, please contact the secretariat at isaia2012@aik.or.kr

We are looking forward to seeing you in Gwangju.

Yours sincerely,

Cheeho Seo

Seo, Chee-Ho

President, the 9th International Symposium on Architectural Interchanges
President, the Architectural Institute of Korea
