Dear Prof. Dr. Moon:

Congratulations on your nomination for induction into the American Biographical Institute's **PROFESSIONAL HALL OF FAME**. Our 2012 Hall of Fame Inductees have professional qualities that stand out among the best—integrity, distinction, innovation, expertise, and the realization of goals that considerably enhance a particular field. On behalf of the ABI Board, I congratulate you on your selection for this exceptional honor and exhibiting the qualities necessary to be among our 2012 Inductees.

Induction into the **PROFESSIONAL HALL OF FAME** is authorized by the Institute—a 45-year-old global organization whose wide-reaching knowledge of influential people is recognized throughout the world. This knowledge garnered from the publication of over 250 biographical reference volumes honoring men and women whose careers, community spirit, dedicated research, teaching, mentorship, and practice **provide an example of professional leadership and encouragement for those with whom they come in contact**.

To commemorate this great occasion, I have commissioned an American craftsman to create an induction plaque equal to the honor for which you have been selected. It is an exquisite black plaque with a brushed gold background of an exclusive architectural rendering of the Hall. In order for it to be distinctly attributable to your accomplishments, you may choose the field that best reflects the achievements of which you are most proud. There is no doubt that this plaque will take a prominent place among your accolades. Its very presence on your wall will speak volumes to your colleagues, community, peers, family and friends.

I kindly ask that your reply to my invitation be submitted no later than **May 26, 2012**, or as close to this date as possible. Should you decide not to accept this honor of great accomplishment I will seek another candidate to take your place. **However, our first choice is you.**

With respect,

C. A. Mitchell
